Dear Sir/Madam

I have always wished to work as an employee which fit in my working experience at your organization. Therefore, I have prepared my CV and other relevant document to send to you in the hope of being considered for the position.

I am enclosing my CV and relevant document for your view. I am just a fresh graduate of Bachelor Degree at Royal University of Law and Economics, Majoring Information Technology.

Through the qualification I have mentioned above, I positively and strong hope to have an opportunity to work at your company where I could make a significant contribution while developing my career future. I would welcome an opportunity to meet you in person to review my portfolio.

I am looking forward to your call for the interview at your convenient time.

Yours Faithfully.

Yun Sophearith
